

## CHURCH GIRLS SING FOR THE CONGREGATION

In between verses	Kia mentions	she's not pregnant anymore.
We start the second	verse. Polished	voices match each word.
Don't need	eye contact to harmonize.	Focus on parts
the audience	will erupt in praise at.	In fifteen minutes
we sing in front of	saints.	Why dwell on
disappeared sin?	Church Girls tilt far from	what they know
& snap back.	Purity is	an opinion.
We perform	the empty promise.	I ask about the dad.
We finish practice	with enough time	& plan to meet his friends.
